Take A Road Trip On The Green Side

Throughout the Okanagan, businesses are committed to creating sustainable experiences for visitors that consider the environmental, social and economic impacts.

Day 1

Power Trips
https://powertrips.ca

Power Trips offers the world’s best fully electric luxury vehicles. Simply reserve a rental and a Tesla vehicle is delivered directly to a location of your choosing around Kelowna, Lake Country or Vernon.

Davison Orchards Country Village
https://davisonorchards.ca

Tour orchards and gardens at Davison Orchards Country Village, a family farm growing quality produce since 1933. The country village offers top-quality Okanagan produce (much of it grown right on the farm), a huge selection of homemade preserves, pies and bakery treats as well as trendy country gifts and gourmet specialty foods.

Predator Ridge Resort
https://predatorridge.com/resort

It’s hard not to get a taste for the good life when the good life surrounds you. Predator Ridge Resort was created with a great reverence for its spectacular natural setting and was one of the first accommodations in the Okanagan to provide Level 2 Tesla charging stations.

Day 2

Epic Cycling Wine Adventures
https://epiccycling.ca

Epic Cycling offers guided rides for road cyclists who wish to explore Penticton’s beautiful wine region. Don’t leave the Okanagan without seeing it by bike.

BRODO Kitchen
https://tastebrodo.com

BRODO Kitchen tempts taste buds with locally-sourced ingredients in a variety of soups, sandwiches and salads. The menu changes seasonally to reflect simple fresh ingredients from the latest harvest and fresh herbs grown on site.

Penticton Lakeside Resort
https://pentictonlakesideresort.com

Luxury and the great outdoors come together to provide a once-in-a-lifetime vacation at the Lakeside Resort & Conference Centre. Admire the Okanagan Valley’s mountain and lake views from your room or the observation deck. The Lakeside takes the hotel experience from fine to great.
Day 3

Sunrise Paddleboard Tour & Breakfast - Wakepilot
https://wakepilot.com/sup-tours

Greet the day with a paddle through the calm, warm waters of Osoyoos Lake. Explore the Bird Sanctuary, Swiiwís (Haynes Point) Provincial Park and Solana Bay before a poolside breakfast at at Pointe 49 Kitchen & Bar.

Covert Farms Family Estate
https://covertfarms.ca/

Covert Farms Family Estate features an organic farm, vineyard and winery, with an organically-grown wine portfolio. Relax on the patio with a glass of wine and charcuterie and cheese board featuring small bites from the farm. Covert Farms is the gateway to hiking the famous Okanagan landmark, McIntyre Bluff.

Watermark Beach Resort
https://watermarkbeachresort.com

The Watermark Beach Resort offers lakefront hotel accommodations, steps away from Osoyoos dining, shopping and the marina. Relax poolside with an ice cold beverage. Watermark Beach Resort is committed to the Green Key program to reduce impact on the environment and protect the planet for future generations.
